We're excited to announce that Illinois Tool Works Inc. ([ITW](#)), a global industrial leader, has acquired [RxSafe](#), the innovation leader in pharmacy automation technology. This acquisition marks a significant milestone, as RxSafe will join [Eyecon](#), another ITW business.

RxSafe and Eyecon, under the umbrella of ITW, are set to continue revolutionizing pharmacy operations. This union combines RxSafe's innovative automated technology solutions with Eyecon, the established leader in precision pill counting and prescription validation. The result is a portfolio of pharmacy automation solutions that will continue to elevate the standards of efficiency, accuracy, and patient safety.

ITW's strategic approach to nurturing and growing its business units ensures this new alliance is positioned for long-term success in the pharmacy sector. We are committed to offering an unparalleled mix of technology, expertise, and innovative solutions.

As we move forward, we're excited to explore new frontiers in pharmacy automation. We are committed to continuous improvement, enhancing our offerings and meeting the evolving needs of our customers in the pharmacy industry. Together, we will redefine what it means to be at the forefront of pharmacy automation technology.

Kind Regards,
